[1] This net is conducted in concert with the DuPage County EmComm Net.
The Weather Net only meets on the 1st Tuesday of the month from October to February

[2] The 220 Repeater is linked to the 2 Meter Repeater

[3] The CW Practice Net meets every Tuesday from 9 pm - 10 pm.
It is an hour of practice in sending and receiving short messages. Speeds range from 5 wpm to 15 wpm, so there's something for everyone who's interested in improving their CW skills.

All Nets on the 2 Meter Repeater can also be found on our linked 220 MHz Repeater.
